

Let's Do It Right

Coyote 401 Darren Gallina

OPENER

Circle left

We'd better take our time to get where we're going

You know these things don't work over night

Left allemande, do a dosado

Men star by the left and roll it you know

Curlique with the partner, boys run right

Left allemande and promenade tonight

It takes a whole lot of loving each other

We've done it wrong, now let's do it right

FIGURE

Head couples promenade halfway you do

Come down the middle, star thru and pass thru

Swing thru that outside 2 and boys run to the right

1/2 Tag and then you scoot back tonight

Boys run again, slide thru and the corner swing

Left allemande and promenade the ring

It takes a whole lot of loving each other

We've done it wrong, now let's do it right

MIDDLE BREAK - CLOSER

4 ladies chain 3/4 go round

You roll away and circle left round that town

***Feels so fine, let's keep it going**

Left allemande and weave the ring

It takes the bitter to know when it's sweet

Do a dosado and promenade when you meet

It takes a whole lot of loving each other

We've done it wrong, now let's do it right

TAG

We've done it wrong, now let's do it right
