COYOTE-806

Opener/Middle Break/Closer:

**Sides Face, Grand Square: *The telephone rang, it rang off the wall,
It's time to go go dancing, so come one, come all,
We'll sing and we'll twirl, and we'll do-sa-do, allemande left,
Weave that ring you know, singing: So long, it's been good to know you,
Swing and promenade that ring now, So long, it's been good to know you,
And I gotta be traveling home.**

Figure:(Heads Twice, Sides Twice)

**Heads (Sides) promenade halfway around that ring,
Sides right & left thru, turn that girl, square thru 4 hands,
4 hands and then, do-sa-do, do an 8 chain 4,
Singing: So long, it's been good to know you,
Swing the corners, promenade around there,
So long, it's been good to know you, and I gotta be traveling home.**

*** We went to the dance, the dance floor was packed,
People in front, and people in back, the caller was calling,
Oh how he could sing.....,**

*** The dance is all over, but we'll see you again,
We'll come back and dance, so just tell us when,
We had lots of fun, we sure hate to go.....**
